A deep cleansing treatment designed for acne-prone skin using Dermalogica's MediBac skin care products.

Microdermabrasion **\$50** **or a series of 6 for \$250 (buy 5 get 1 free)**

Our diamond file tip micro peel system effectively removes dead skin cells from the surface of the skin.

In just one application, the skin has a better ability to absorb nutrients from treatment products.

A series of 3 to 6 treatments, depending on the condition of the skin, can visibly improve wrinkles, acne scars, pigmentation and texture. The Microdermabrasion application is followed by a soothing additive rich facial.

Glycolic Treatment **\$40** **or a series of 6 for \$200 (buy 5 get 1 free)**

Our glycolic treatment renews the skin with a peel that can be customized from mild to full strength. Glycolic is an effective step in helping to reduce the signs of aging.
